

For successful hospitality professionals: The new Columbus800

Proven quality
New functionality
Innovative design

A TRUE COLUMBUS IN A NEW OUTFIT

FEATURE OVERVIEW

Up to six years of all-inclusive, no-hassle warranty

A perfect interplay with Orderman Hospitality handhelds

Small footprint thanks to the integrated power supply

No more cable clutter thanks to innovative cable routing with CableLock™

In 15" and compact 12" formats

Standard with state-of-the-art, intuitive capacitive touch technology

Plenty of features with interfaces to your bar system, your printer, etc.

Easy to clean and very durable – front is dust- and waterproof

Columbus is one of the most popular POS series in the industry. Restaurant owners appreciate its extraordinary reliability, the handsome, practical design, as well as the fan-less construction and long service life. Columbus800 is the latest incarnation of the Orderman virtues proven for over 20 years.

This makes the new Orderman Columbus unique:

The eye follows the receipt – Columbus800 radiates in its new design. But what is much more important: It adapts uncompromisingly – to your space requirements and many hospitality requirements. Columbus800 is at your side, if you are planning a new restaurant area, or if you plan to expand your mobile ordering to tableside. And it offers numerous interfaces for all conceivable add-ons and upgrades.

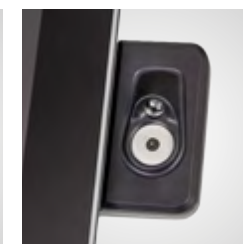

The benefits of the Columbus POS family:

- Specially designed to meet the demands of the hospitality industry
- Sturdy, reliable and with a long service life
- Simple to use, intuitive controls
- Up to six years of all-inclusive, no-hassle Care Gold
