

**What works for you reliably around
the clock, satisfies your guests
and increases your sales?**

The NCR Orderman 7.

**For successful
restaurateurs**

**FASTER.
MORE RELIABLE.
MORE VERSATILE.**

The NCR Orderman7.

Our superhero presents the NCR Orderman7, our top-of-the-line handheld ordering device. Benefit from the latest technical features, which make radio ordering quick, reliable and user-friendly. With an extremely long operating time of up to 18 hours, the unit sets new benchmarks, for instance, with its bright display, high-quality material, unrivaled strength and ease of use. 25 years of experience and a high level of expertise stand behind this device, specially

designed to meet the challenges of the hospitality industry. For this reason, the Orderman7 not only features up to 5 years of all-inclusive, no-hassle warranty but also helps to increase profits: the radio ordering functionality can help improve service, showing results of up to 25% more sales. The latest generation of the unique and stable Orderman radio technology turns our top handheld ordering device in to a real profit-maker for your business.

Large, high-contrast 5-inch HD display that is easy to read especially in sunny outdoor areas

High-quality materials and durable construction (shock-resistant and water-tight)

Powerful replaceable battery (3150 mAh) for up to 18 hours of operating time

Programmable side buttons for frequently used functions

User-friendly touchscreen that can be operated by finger or using a touch pen

Up to 5-year all-inclusive no-hassle warranty

Long-lasting, gold-plated charging contacts

Smartly positioned notification LEDs, designed specifically for the hospitality industry, vibration alarms and speaker

CHOOSE NCR ORDERMAN

AND ENJOY THE BENEFITS

Safety cord

Fast and secure attachable safety cord (patented) for additional protection.

Orderman Secure Radio

Latest generation of the Orderman radio; uniquely secure and stable, developed with major enhancements.

Service Station

For charging and performing remote maintenance on the handheld – the Service Station also quickly recharges replacement batteries.

Integrated Camera with flash

Includes a camera with flash and autofocus. The flash also functions as a flashlight, perfect for low light environments.

Orderman 7 and Orderman 7+

Orderman 7 is the entry-level model, and the plus model has NFC and Bluetooth to connect to the belt printer.

Orderman 7 MSR

This device features magnetic strip reader for customer loyalty programs.

Orderman 7 SC

This device comes with scanner to read QR codes and barcodes (e.g. inventory, promotions).

HOSPITALITY-SPECIFIC ACCESSORIES

Wristband and OrderCard

The OrderCard and the OrderCard wristband allow for particularly fast and convenient billing.

NCR POS terminals

NCR Orderman 7 works seamlessly with NCR POS terminals.

Multi service station

Ideal for large establishments. The multi service station is designed to simultaneously charge up to five NCR Orderman 7 handhelds and additional battery packs.

Belt printer

The belt printer saves a lot of back and forth, and it gives service staff time for additional sales.
